

ESA+ TECAR

The top section of the label is divided into two vertical panels. The left panel features a fuel pump icon above a vertical scale of seven colored arrows labeled A through G. A black arrow labeled 'C' points to the right, indicating the fuel efficiency rating. The right panel features a tire icon with raindrops above a vertical scale of seven letters labeled A through G. A black arrow labeled 'C' points to the right, indicating the wet grip rating.

The bottom section of the label features a tire icon with sound waves to its right. A black arrow labeled '70 dB' points to the right, indicating the noise level.
